Your Award-Winning StoreFOUR YEARS RUNNING!For the fourth consecutive year, Fleet Feet Sports Tucson has been named one of The 50 Best Running Stores in America. The award was presented by Formula 4 Media, producers of The Running Event, the largest conference and trade show for running specialty stores in North America. Fleet Feet Sports Tucson is the only Arizona running store to receive the award. The 50 Best Stores list is the result of a year-long process that rates running stores based on their customer service, their relationship with the community they serve and a number of other key factors.Starting in the spring of 2009, Formula 4 Media solicited nominations from consumers, members of the trade and even stores themselves. The nominations were edited and vetted and narrowed down to about 120 stores that underwent an intense evaluation process. The evaluation included a mystery shopping rating that evaluated the store on 20 different points. This was done by a secret shopper who bought shoes in the store and rated it on points ranging from staff knowledge and attitude to "does the store offer clean try-on socks" to how simple was the check-out process and what was the quality of the shopping bag with which you walked out the door. The mystery shopping was done by Franklin Resource Group, the leading merchandising company in the sports retail business.How a store supports its local community is another key factor in determining what stores make the list. The community support is evaluated based on sponsorship of local races, support of charities and essentially what the store does for its local community of runners."There are hundreds of great running stores in the country, but we believe this list represents The 50 Best," said Mark Sullivan, president of Formula 4 Media. "Every store on this list should be proud that they earned their way on to the list based on feedback from the toughest, most objective judges out there, their own customers." "This marks the fourth consecutive year Formula 4 Media has produced The 50 Best Stores Awards and we are very proud to have garnered the very rare Top 50 status in every year the award has been given out," said Pete Snell, co-owner of Fleet Feet Sports Tucson. "It really is a testament to our wonderful staff and their incredibly consistent, high-quality approach to customer service. They care about each and every single person who comes to us and it shows."Our GuaranteeFleet Feet Sports Tucson is committed to the professional fit you receive at our store. If for any reason you are not satisfied with an item you purchased from us, you may return or exchange it at any time - with or without a receipt.
